

THE HOLLY LODGE ESTATE

27th August 2015

Dear HLE Resident,

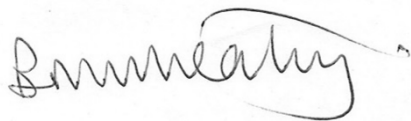

Trial Security Measures

Although the Holly Lodge Estate is extremely fortunate in having a very low crime rate we have recently had some exceptional activity at the top of the Estate involving drug taking and very noisy behaviour late in to the night and early mornings.

As a result the Committee has decided to trial certain measures to see if they will improve the situation. You may therefore see a security patrol driving around or checking that vehicles entering the Estate are bona fide.

This should also help the overall crime rate for all residents as we hope it will deter undesirables from entering the Estate.

Yours sincerely,

Barbara Wheatley
Estate Manager
