October 2013

HALF-YEAR PLOT OWNERS MEETING

This will be held on November 20th 2013 at the Community Centre from 7:30 for 8pm start.

All plot owners are welcome.

BROADBAND UPGRADE

Preparations are being made to install the street hardware that will allow the upgrade to take place in early 2014.

ESTATE POLICIES

The Parking Policy, the Skips Policy and the Estate Builders' Code will be updated after a presentation and discussion at the half-year meeting.

SECURITY

Car vandalism and theft as been reported. The Committee advises that if residents would like a Neighbourhood Watch scheme then volunteers are needed. Please contact the Estate Secretary if you are interested.

STREET LIGHTS

Please note that any problems with street lighting should be reported directly to London Borough Camden on 0207-974-5215 or online :

TREES

The committee is finalising the long term plan for the replacement of the mature trees at each of the Hillway-avenues crossroads, with advice from our tree specialists Wassels. This will be presented at the half-yearly meeting in November.

Some dead and ailing trees have also been identified in the avenues, and will be removed and replaced. Consultation with plot owners adjacent to the respective trees will be carried out this autumn with the aim of planting replacements in the coming winter.

HIGHGATE NEIGHBOURHOOD FORUM

The draft Highgate Neighbourhood Plan will soon be ready for comment and residents are encouraged to join the HNF mailing list using the button on the web page to keep abreast of developments and have the opportunity to comment on the proposals.
