

NEWSLETTER AUGUST 2015

ROAD & FOOTPATH REPAIRS, 14-SEP TO 23-SEP

In September various roads & footpaths are to be repaired;

Roads (full width)

- Holly Lodge Gardens, from 3 to 18 including the crescent by the Ginkgo tree.
- Hillway, from Langbourne Avenue to Oakeshott Avenue including the junctions
- Makepeace Avenue outside 1 & 3.

Road patches;

- Oakeshott Avenue near Hillway,
- Holly Lodge Mansions near Hillway
- Langbourne Avenue outside 2 to 6
- Bromwich Ave outside 4

Footpath patches;

- Hillway (by 93)
- Holly Lodge Mansions (by Swain's Lane north side gates and family centre)
- Makepeace Avenue (by 26 and block 57-84),
- Bromwich Avenue (alongside 10 Hillway and by 13 to 19)

The work is planned to start Monday 14-Sep and last 10 days. Signs will be placed early September and residents should ensure the affected areas are clear of cars, etc (otherwise they will be towed). Total road closures will be minimised and in most cases only half width working will be employed (notable exception is Holly Lodge Gardens). To facilitate vehicle movement some of the avenue gates will be opened.

Any resident anticipating difficulties should contact the Estate Manager.

A FOND FAREWELL....

...to Olive Gatenby who recently retired from the Estate Committee after 29 years working as a member and 18 years as a Trustee. As a thank you for Olive's many years of service the Committee planted an *Olea europaea* at the bottom of Hillway – with a little help from Olive herself.

NEIGHBOURHOOD WATCH

You may be aware that the Police and the Committee are trying to encourage residents to form local neighbourhood watch schemes as these are proving very effective in deterring crime. These are really simple to set up and run. It requires two separate households to be chair person and vice chair then the majority of the street to be made aware and hopefully assist. We have one group already formed to cover the top of Hillway and Holly Lodge Gardens

A REMINDER TO ALL RESIDENTS REGARDING REPORTING INCIDENTS TO POLICE

IN AN EMERGENCY, ALWAYS DIAL 999. This is for emergencies only. This would include any situation where life is threatened. Offences occurring and offenders still present. (Dwelling burglary)

FOR NON-EMERGENCIES, DIAL 101. This is for all non emergency calls. This would include anti social behaviour. Crimes that have occurred and the offenders have left and there is no danger to life or property.

Your local policing team also have a phone number and an e-mail that you can contact them on. Your local team are not a response team and do not attend 101 or 999 calls routinely. They are there to assist with local issues and ongoing problems. The Highgate team do not as a rule work nights. **It is important to report things and to share information with your local team** so that resources can be used effectively.

100th BIRTHDAY CONGRATULATIONS TO IRENE TERSON

This photograph is of Irene Terson, a Holly Lodge resident, who recently celebrated her 100th birthday. This wonderful lady suggested to her guests that instead of presents, they make a donation to the Holly Lodge Community Centre. This was duly taken up by the guests, and many generous donations were made. The money will certainly help us to keep the Centre going with classes and occasional teas for those who wish to come and gives us hope that with such community spirited people on the Estate, the Centre will have a future that will allow us to provide regular services once more. As it may not be possible to thank everyone individually, the Holly Lodge Community Centre Committee would like to express its thanks to everyone at the party for their generosity, and especially to Irene whose idea it was. We wish her health and happiness for the coming year and hope that she will be able to celebrate her 101st birthday at the Centre next year!
