<p>Only the following shall be entitled to serve as a Member of the Committee or as a Trustee</p> <ul style="list-style-type: none">a) A plot-ownerb) One of the owners of a plot owned by more than one personc) A director or officer of a company which owns a plot appointed by a resolution of its directorsd) The wife/husband/partner of a plot-owner so long as the plot-owner is not a serving member of the Committee		

We have lived in Langbourne Avenue since 1976, bringing up two daughters and enjoying the special atmosphere and freedoms of Holly Lodge.

A marketing researcher, on retirement I was for 12 years treasurer and am now a commission member of an international sports federation.

I joined the Estate committee in 2005, was treasurer from 2008 until 2019, a trustee for ten years and have been the lead for trees since 2009 – a function in which I would love to continue. I am also currently a member of the committee's Security and Governance sub-committees, represent HLEC on the Highgate Neighbourhood Forum and the Highgate Safer Neighbourhood Panel, and am a member of our Conservation Committee.

I was an early supporter of the need for us to cater for electric cars and will support other necessary initiatives as long as they maintain the estate's special character.

Most of all, however, I want to ensure that we undertake these initiatives and find solutions to our problems with the support of all plot-owners. Maintaining and enhancing the unique physical delight of the Estate is the core responsibility of the committee but I believe maintaining our mutually supportive community solidarity is equally important.

I hope that I have contributed to the maintenance and improvement of an Estate where it is a joy to live, and that my depth of experience can help ensure that it remains such a place in the future. It would be an honour and a pleasure to continue actively serving Holly Lodge.
