15th NOVEMBER at 7.30pm

The 2023 Half Yearly General Meeting for Plot Owners is scheduled to be held on Wednesday 15th of November at 7.30 pm at the Community Centre.

Please send any motions to be considered at the GM to committee@hle.org.uk by 18th of October latest.

OVERHANGING PLANTS IN YOUR GARDEN

The unusually warm weather has helped keep all your front gardens looking lush, green and very healthy. However, there are some front gardens that are spilling out onto the pavements and blocking the path. We are particularly worried about plants at eye level, please can you check your boundary plants. As a guide, please ensure that bushy plants do not restrict the path in such a way that two people side by side cannot pass unimpeded.

HALLOWEEN TUESDAY 31st of OCTOBER

The lower gates and the barriers will be closed on Tuesday 31st October from 5pm to control traffic and to keep the Estate safe for our children when Trick or Treating, plus to maintain our 'Private Estate' status

TRICK OR TREATING between 5.00pm and 7.30 pm only please. If a porch light is off, please respect the homeowner and do not ring the bell or perform a trick

HEDGEHOG FRIENDLY GARDENS

The Heath boasts the largest hedgehog population in London. In collaboration with Heath Hands, some dedicated residents are taking initiatives to further boost their numbers. This includes encouraging our community to create safe passages and hedgehog-friendly gardens. Hedgehogs play a crucial role in the ecosystem by controlling pests and contributing to soil health, making their preservation essential.

If you're interested in learning more or need assistance in making a hedgehog-friendly hole in your fence, please contact capucine@growinggreen.org.uk

NEIGHBOURHOOD WATCH

We are always looking for more members, so please check with your neighbours to make sure we include everyone. The scheme grows stronger with every new member. For more information, please get in touch with Antonia at manager@hle.org.uk .
