NEWSLETTER AUGUST 2024

DARTMOUTH PARK HEALTHY NEIGHBOURHOOD

Camden and Islington Council have joined together to propose changes to traffic management, bus and cycle lane networks and improvements to local streets in all areas of Dartmouth Park. They have issued a survey which needs to be filled in and submitted by the 18th of August.

I hold hard copies of both the plans and the surveys in the HLE office if anyone wants them, however both documents can also be accessed online. Please follow the below link to get informed and **have your say.**

IMPROVEMENTS ON THE ESTATE

As I am sure you will all have noticed, we have been very busy this summer, over the last two months we have completed various jobs around the Estate.

1. Road markings throughout the Estate, we have refreshed the white lines. We have also added double yellow lines in the turning circles at the ends of the Avenues, this will hopefully deter anyone parking in those areas and we have also blacked out disabled bays that are no longer in use and remarked the active ones.
2. The revamp of the roundabout at Holly Lodge Gardens has now been finished, complete with a carved sign commemorating the year 1924 when we were established.
3. The steps at the top of Hillway near the ornamental garden were in a sorry state and were also are somewhat dangerous. The are being redone at the moment and will be completed shortly.

URBAN HILL CLIMB 2024

This event will take place on the 28th of September, we have worked with them in the past with great success and we hope this year will be the same. We have asked the organisation to make sure all riders are told not to use Hillway as a practise area and to make sure the noise and disturbance to our residents are kept to the minimum
